

## Ernest Hemingway Outgoing Correspondence: Name Index

The Outgoing Correspondence Name Index is an alphabetical list of correspondents, listing the dates of letters written by Hemingway to each person. All items listed under a correspondent's name are arranged chronologically. Unidentified and unaddressed letters are listed at the end of the alphabet. Entries include names of organizations, such as publishing companies, literary agencies, or fundraising groups, especially when the individual recipient did not figure prominently in Hemingway's life. Click on the links below to navigate directly to a particular letter.
